Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Lawton Community School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Tamara Webster, Curriculum Director, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [https://www.lawtoncs.org/Our\\_District/Annual\\_Reports.html](https://www.lawtoncs.org/Our_District/Annual_Reports.html), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every

Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement

Lawton Middle School	No Label	MTSS
Lawton High School	No Label	MTSS

We are proud of our educators, parents, community, and students for striving to build champions in the classroom, the community, and the playing field each day.
