

March Students of the Month

High School Students of the Month:

Sarah Hernandez, daughter of Katrina Adams and Darren Adams:

Sarah Hernandez is driven and focused on improving herself as much as possible. Sarah gives more effort than pretty much any other student I have. She is respectful and nice to her peers. Often seen asking teachers if she can go above and beyond assignment requirements, she strives to absorb all the knowledge she can. The more students like Sarah we have, the better off we are.

Tristan Butcher, son of Michelle Sachs and Bryan Butcher

Tristan Butcher is a student with a quiet demeanor but an active mind. He is attentive and sharp-witted, is always on task and focuses on taking care of business every day. An exemplary model of positive classroom influence, Tristan provides LHS a consistent boost to school culture.

Middle School Students of the Month:

Amelia Cristiani; Daughter of Trent and Bianca Cristiani

Amelia Cristiani demonstrates being a Lawton Blue Devil in all aspects of her life. She models a positive attitude with schoolwork and is always willing to help her fellow classmates. She is a natural leader with her classmates to make positive choices. A smile is always on her face and is easy to have a conversation with about her family, friends and interests.

Kenzie Winkel ; Daughter of Matt and Kelli Winkel

Daily, Kenzie exhibits exceptional behavior along with a very strong work ethic. She does a great job working with her peers and leading group work in the classroom. She follows all four of ROAR principles to a T. Coach Karsen also stated that "Kenzie is respectful, energized, hard-working, and a tremendous positive influence in PE." So, it is our pleasure at Lawton Middle School, that we announce Kenzie Winkel as our 6th grade student of the month for March.
